

TRANSFORM THE ORDINARY
INTO THE **EXTRAORDINARY**

WHO WE ARE

Nomadik® Stretch Tents is a leading manufacturer and supplier of high quality stretch tents. Established in 2002 in South Africa, we have been manufacturing and distributing tents to our clients and partners all over the world for the past 22 years. We have an extensive global footprint and distribute our tents from warehouses and distribution centres in The Netherlands and the United Kingdom. We have a solid agency and partnership network throughout Europe, UK, South America and Africa, and we are well known to offer our clients quick and easy access to high quality tents and equipment at affordable prices.

After 22 years in the industry, our brand is synonymous with uncompromising quality, professional service, and the best quality product on the market. Our tents all come with a 10 year waterproof guarantee and a 2 year workmanship warranty. Our product exceeds any of our competitors' in quality and price.

WE TRANSFORM THE ORDINARY INTO EXTRAORDINARY

FABRICATION & DEVELOPMENT

To maintain our reputation and keep our customer base loyal we deliver a **highly engineered** quality product that conforms to all international fire and safety standards with an expected 8 – 10 year operational lifespan.

Our tents are manufactured in a **state-of-the-art manufacturing facility** at our Head Office in Johannesburg, South Africa.

Our investment in **cutting edge technology** is unrivalled and we work hard to maintain our reputation as **Industry Leaders**.

Our seam welding techniques are unique and give us the confidence to offer **lengthy warranties** on all our products giving our tents the reputation for being built to last.

Ongoing R&D is done in-house under strict supervision and Nomadik never releases a new product unless it has been rigorously tested in our Rental Division. This together with our professional staff ensures that the data we collect is re-directed into our products making our tents more **robust and technically superior** to our competitors.

Furthermore we enforce stringent quality controls throughout the entire manufacture process through to final delivery.

VERSATILE, CERTIFIED & GUARANTEED

Endlessly versatile in colour and style, with no compromise to quality. Our tents meet the highest certification standards.
